Your Lifestyle Excess Protection Policy

This policy is designed to help reimburse the **excess you** pay when **you** make a claim on **your** motor, home, pet, or travel insurance — even if that insurance isn't provided by **us**.

You can claim as many times as **you** need to during the policy period, as long as the total amount **we** pay **you** doesn't exceed the overall limit shown in **your** policy documents. This means **your** cover is based on a total (or "aggregate") amount. Once **you've** reached that limit, no further claims will be paid.

You should read this policy, the schedule and endorsements as one contract. It is **our** agreement with **you**, based on the information **you** give to **us** and on the information in **your** proposal or statement of facts.

Cover Provided:

Your policy will provide cover to pay **you** back for any **excesses** paid up to the limit as shown in **your** policy schedule. This limit is an aggregate limit. Once **you** have made claims up to the aggregate limit, cover will end, and **you** will no longer be able to claim under this policy.
